SUPERVISOR DEBUTS RADIO SHOW SATURDAY

VICTORVILLE—First District San Bernardino County Supervisor Bill Postmus will debut his new radio talk show Saturday, April 28, on Talk 960 AM, KIXW.

“Valley Views with Bill Postmus” will air from 2 to 3 p.m. Saturdays. The topic of the first program will be Assembly Bill 1378, a bill that would increase Hesperia’s share of property tax revenues it sends to the County of San Bernardino. This would result in an additional \$2 million annually for road improvements.

Postmus will be joined by the author of the bill, State Assemblyman Phil Wyman (R-Tehachapi), as well as Hesperia Mayor Jim Lindley and Hesperia City Councilman Dennis Nowicki.

“I’m looking forward to using the radio medium as another way to be in touch with the views of the residents of the High Desert,” Postmus said.
